

Dress Code at Ninety Acres - Smart/Business Casual

Ninety Acres dress code honors a relaxed atmosphere in keeping with our table-at-the-farm beliefs.

Jackets are optional for gentlemen, however, collared shirts are required.

If you prefer denim, a well-kept pant in a dark wash is what we favor.

Women are most comfortable when arriving in a casual dress, or jeans and a nice blouse with dress shoes.

Although we like our diners to express their own style, we kindly ask that sneakers, sandals, and cargo shorts are kept for the park. Hats are not allowed in the dining rooms.

If you are choosing Ninety Acres for a special celebration or romantic night, you will also feel comfortable dressed on account of the occasion.

*Footwear for participation in cooking classes must be closed toe and low heeled for safety during food preparation.
